Notes from the President

Dearest Members,

Happy New Year! What a year this has been, both for our wonderful little club, and the world about us. As it comes to a close, it's always helpful to look back upon the year and mark one's accomplishments, challenges, and setbacks - and consider how we want to face the New Year and make it the best we can. In this spirit, as your Board president, I'd like to acknowledge some shared accomplishments as a club, and talk about what's in store for 2018. This is by no means a comprehensive list - just a quick reflection of what stands out as we strive to fulfill our mission:

"To share among our members a love of tennis that is distinguished
by friendliness, inclusiveness and tradition."

In early 2017, the current Board of Trustees continued to discuss what we envision for the club five years from now and what we should focus on to realize this vision.

- We evaluated ways to further the club's community and stewardship. A new committee was formed to continue this work, evaluating and promoting ways that club members can participate and give back to the community around us. We continued the new tradition of "VoluntIrvington" - a forum during our annual tournament of community organizations that come into our club to educate and engage members in their work. We also began a series of monthly articles in the newsletter, each highlighting club members and their amazing contributions to our community by their volunteer work. I want to thank Amy Aperrin in

in particular for galvanizing and promoting this spirit of service at our club.

- Our Pool Committee continued its work in evaluating ways to update the pool area. Members completed a survey that evaluated the current pool facilities and gauged interest and priorities for improvements. That committee is poised to make some recommendations for updates to the Board shortly. Stay tuned - there is a lot of potential for improving the pool experience for everyone!
- Our tournament sub-committee continued its efforts in promoting our two annual tournaments, as well as the junior tournament, by organizing fun, engaging events that bring out our true Irvington Club spirit at these important member events.
- Thanks to the diligent efforts of Stephen Doubleday, we continued our work to build our financial resources in preparing for our property tax increase in 2022 and use available funds to continue upgrading and maintaining our beautiful facilities. Have you seen the new fence on the outdoor court? Lars did a wonderful job!
- We welcomed 17 new Juniors, 10 new Associates and 14 new Full members this year.
- We had to say Goodbye to some very dear members: Sally Ashley, Mark Butzer, Andrew Glass, John Feuz, Jeffrey Hockley, Kathy Montgomery, Nick Munly, Chet Paulson, Don Tisdell, Ben Yett, and Ralph Younger.
- We had 12 Junior Team Tennis teams competing this past year representing our Club. Our tennis programs are vibrant with classes being at capacity with wait lists.

And, there is a lot more to do in 2018! I am retiring from the Board and we will have four open positions. I am very thankful to have some excellent candidates to carry on the tradition of service!

With much gratitude for your commitment to our club and our community,

Alysa Rose, President and
The Irvington Club Board of Trustees

Notes From the General Manager

Dear Irvington Club Members,

I smile when I reflect on another amazing year at our Club. There is no other Club that can compare with our tournaments, our social events and the community we have within our Club.

There is sadness, with the passing of members who I have come to know and care about, and the happiness of sharing the joy of newborns. Every one of you have touched me in some way and I can't express how fortunate I am to have that in my life. Just to be able to experience seeing children become adults and parents is pretty special.

Our Club continues to be financially sound and I assure you, the Board and myself are preparing for some major financial impacts we will face in the future. When we were planning the Club remodel, we hired a financial consultant to help us develop a 10 year pro forma to guide us. We continue to monitor this and also continue to improve the Club. In 2017 we accomplished the following:

- Painted several interior areas of the building
- Tore out a brick wall in the basement and cleaned and painted to organize for storage
- Repaired and painted the ballroom ceiling
- Replaced all the expansion joints on the pool deck
- Replaced the fence along the outdoor doubles tennis court
- Purchased a new upright bike
- Purchased a carpet cleaning machine
- Purchased a wine kegerator (it will be in use for the Mixed Doubles tournament, along with a new choice of wines).

I work closely with Building and Grounds and Finance and Audit committees to ensure we stay on track. We will be doing some major improvements to the pool area before next season which includes resurfacing and replacing all the coping (the edging around the top rim of the pool). There will be enhancements beyond these that will make your experience more enjoyable at the pool.

I wish you health and happiness in the New Year!

Barbara

Notification of Dues Increase

2018 Dues Rates

In 2018, the Club membership dues will continue to increase at a basic 4% annual rate as decided at the onset of the clubhouse remodel. After reviewing our past year performance and our projected 2018 budget, the Board believes this rate of annual increase allows the Club to meet its bank loan obligations and sets us on a path to be able to afford our property taxes when our historic exemption ends in four years.

You will see the 2018 dues increase on your January 31st dated statement.

FENCE REPLACEMENT

Through sun, rain, wind and dark of night, Irvington Club member Lars Topelmann replaced the fence on 22nd Avenue adjacent to the doubles court this past November. The remainder of the fence will be replaced in conjunction with the pool area refurbishment.

When you see Lars around the club, tell him, “thank you” for the great job he did ... it looks fantastic!
