

IRVINGTON CLUB NEWS

Celebrating
120 years

NOVEMBER 2018

FROM THE PRESIDENT

Dear Members,

I have been thinking a lot lately about how the club has changed during my 30 plus years as a member. The obvious change is that everything from the green veneer façade to the pool chairs that you could literally fall through have been replaced by virtue of a significant renovation honoring the club's historical design. And despite the turmoil over whether to move forward with the 2013 renovation, my sense is that members are pleased with the decision and the outcome. I know that I am.

But I can't help but wonder if we, as members, have gone through our own form of renovation. Irvington home values in the last 30 years have skyrocketed. Dues in 2008 for a family were \$108.00 as compared to \$166.75 in 2018. We don't generally know if members leave for dues related reasons but my sense is that this is not occurring on a regular basis.

I have to believe, though, that as the Irvington neighborhood gets more affluent and exclusive, the same may well be happening here at the club. If my assumptions are true, the questions we could ask ourselves are how we feel about being members of an increasingly affluent, exclusive club? Have potential members decided not to join for financial reasons? Is affluence and exclusivity inevitable given our location? Will we continue on a trajectory of more wealth and greater exclusivity in the coming years?

I believe that affluence and exclusivity are not inevitable at the Irvington Club. As President, I will advocate for creative and meaningful ways to make the club accessible to individuals from a broad range of backgrounds. The board is discussing these issues and this will be an agenda item at the November meeting. If anyone would like to be part of this discussion, please email Barb or me or join us at the November board meeting.

Amy

FROM THE GENERAL MANAGER

Dear Members,

I have been reflecting on the Club, my life, and just how fortunate I am. As I have mentioned before, I experience so many wonderful things by being at the Club and far too many sad things. I think about members who have battled illnesses, some winning the battle and some not. I never quite understand why bad things happen to good people, but they do. I can personally speak to that, losing my husband at the age of 44. I try to live my life to the fullest each and every day. I treat everyone with respect and I value every human being. We are all so very different and I love that about our club.

I feel that it is important to comment on the fact that the community feel that we have all come to appreciate here has felt different lately. There seems to be a lot of tension these days, and that tension has impacted how we behave. I have noticed it, my team has noticed it, and I am certain much of it stems from outside our doors.

My hope is that this is your safe place, your haven. We are not a bar, not a restaurant, we are a tennis club. A tennis club unlike any others, which I proudly explain to new members that we are like a community. Our community includes members, my team, people who visit the club, and all members of our community are entitled to be treated with respect. The next time you are upset or angry, think about where you are and the culture we have created here. An exercise I sometimes do is go look in a mirror. It reminds me that the situation is up to me and I have to choose what to do with it.

A favorite song of mine is *Man in the Mirror*, which says "if you want to make the world a better place, take a look at yourself, and then make a change." It is up to us to make changes. They don't just happen.

COMMUNITY CORNER

Tournament Food Drive

Thank you to everyone who donated food or a monetary
contribution to the NE Emergency Food Program during
the Carolyn Lumber Tournament.

The tournament may be over, but the food
will be feeding the hungry for weeks to come!
The tournament food drive raised \$880 and 120 lbs. of food!

The NE Emergency Food Program was very grateful
and the Outreach Committee thanks you!

Decoding Dyslexia Volunteer Night

The volunteers are lined up for Sunday, November 4th!

We have 22 volunteers signed-up to sell 50/50 tickets at the
Trail Blazers game to help Decoding Dyslexia.

Thank you to all those who signed up ~ we will provide
an update on the evening in the next newsletter.

Member of the Year

We are very excited to announce that the Community
Committee recommended, and the Board unanimously passed,
a motion to recognize one Irvington Club member each year
who has contributed to the enhancement of the
Irvington Club community in a meaningful way.

The recipient will be announced at the Annual Meeting each
year, and we will start a "Member of the Year" plaque that will
hang on the wall at the club. (We currently have a similar
award for the Board Member of the Year.)

Our members enhance the Irvington Club community in so
many ways: Members organized the food drive during the
Carolyn Lumber tournament; members run the fun committee
during the tournaments and members organize fundraisers and
help identify ways in which our club can be of service to our
community. The Board greatly appreciates this work.

Don't miss the Annual Meeting on February 23rd where the
very first Member of the Year is announced by Barb Farmer!
