President's Message

I plan to use my monthly Presidential Message as a tool for sharing what the Board is working on or what we are exploring. **This month, I'd like to share our findings from our research into Membership Dues Structure.** There will be an email coming out, at about the time this message is published, that will share the full results from our research. [Kudos to John Campbell and Barb Farmer who led the research and analysis.]

We have heard over the years, including at the Membership Open Forum last December, concern that the dues structure is unfair for Individual memberships. This question is challenging to tackle, as "fairness" is tough to measure. But at the heart of the matter, we believe this relates to access to and use of our courts, which is the scarce resource we all share. **We have therefore looked at use of courts per membership as measured by court reservations.** We also compared our dues to other clubs around Portland, not because they are necessarily right, but simply as another reference point that could tell us about other funding models.

As it relates to Court Usage, we found that Individual Memberships and Couples Memberships use courts about the same (4.7 times/month per membership vs. 5.0 times/month per membership for the seven-month time period studied), and both use the court more than the average Family Membership (3.8 times/month per membership). Note that those numbers are *per membership*, not per person in the membership. **This means membership categories with more people in them (Couples and Families) do NOT result in more court reservations. And, based on membership dues, Individual Memberships actually pay the LEAST (on average) per each court use of any of the memberships.** In other words, based on the use of our scarce resource (courts), the data does not argue for moving Individual Membership dues any lower in comparison to the dues other types of memberships pay.

Finally, we looked at other tennis clubs around the Portland area (e.g. Stafford Hills, West Hills, Sunset, etc.) and found that our Single Membership dues of \$123 is on the low end of the range for other clubs (\$120-\$148). Our Couple and Family Memberships, while comparable, are also on the low end.

In summary, the findings show that our dues structure is not inherently unfair to Individual memberships (as measured by court reservations), and our dues structure for each membership is on the low end compared to other Tennis Clubs in the area.

Have questions? We want to hear from you. Reach out to Barb or me with any questions/comments that you have.

Notes From the General Manager

Dear Irvington Club Members,

Spring is here and April and May will be busy months. We have published our summer tennis programs and will soon release our swim programs. They will also be posted on our website so make sure you check them out.

Upcoming projects:

- Completing our fencing project along the pool deck
- Re-surfacing the outdoor doubles court
- **Possibly** resurfacing the outdoor singles court and adding another pickleball court. This is currently being reviewed.
- Touch up paint on the interior and exterior of the building
- Purchasing more furniture for the pool deck

I welcome our new Board members Stephanie Vickers, Mary Stevenson, and Fletcher Frisch. I look forward to working with them and the rest of the Board to ensure our Club is the best it can be.

Happy Spring!

Barbara

Oregon State Senior Men's Indoor Tennis Championships

It was a great weekend in March for some of Irvington Club's senior players at the Oregon State Senior Men's Indoor Tennis Championships held at Irvington Club.

For the first time, the tournament included an 85 Singles and Doubles draw. Tennis truly is a lifetime sport and these gentlemen proved it by showcasing their skills and love for tennis.

Mike Tammen took the 60 singles title by defeating the number two seed, John Guevara, 6-1; 6-1

Gordy Osaka was the runner-up in the 70 singles draw after defeating the number two seed, Tamon Fischer, in the quarterfinal and the number three seed, James Moore, in the semifinal.

Roger North was the runner-up in the 75 singles draw.

Steve Hall participated with a valiant effort in the 80 singles draw.

Roger North & John Popplewell took the 75 doubles title with authority, defeating their opponents 6-1; 6-0.

Steve Hall & Larry Nielson took the 80 doubles title with a 6-0; 6-3 victory.

For a complete list of scores, please visit www.tennislink.USTA.com - Tournament ID #600013319

In addition, the tournament and our own Steve Hall was featured in a Portland Tribune article.

The article is posted in the club foyer. You can also read the full article by visiting this link:
