Teen Night Recap

About 50 teens came and enjoyed a night to themselves at the Club. We had movies going all night upstairs, board games in the lobby, and of course a lot of tennis on the courts. We capped the evening with build your own ice cream sundaes.

US Open Madness Recap

Thank you to everyone who participated in the 2022 US Open Draw competition. We had a great turnout and some seriously good choices, and also... some shockingly poor ones! Like tennis, a couple people were out after the first-round while others were able to go the distance. Somewhat predictably, Iga Swiatek won the women's draw. What wasn't predictable was that Diego Martinez Griffin would pick all the winners on the women's side with 100% accuracy. The chances of that happening are less than 1%! Well done, Diego! Diego's dad Omar tied for last place in the women's draw but brought home the "W" on the men's side. Both draws are posted in the hallway, and Diego and Omar will each receive \$50 gift cards to Players Racquet Shop.

GM Notes

Fall is quickly approaching and along with it comes our annual Carolyn Lumber Tournament! This is the first Club tournament since the pandemic that we can be back to our “normal” with meals every night. A special thanks to Heather Selis, our Meals Coordinator, and all of the various teams. No need to cook, just come to the Club and enjoy some spectacular dinners, starting Sunday, October 2nd.

Phone App: We hope you are using the new app. If not, let us know why, and if you need assistance Kevin and Conor are here to help you. We do plan on adding more functions to the app, so we want to make sure you are comfortable using it.

The Club is hosting the first ever Irvington Club Holiday Bazaar Saturday, December 3rd, 2022. We will open the ballroom to any member who might have wares or products to sell. Each person will get an 8 ft. table to display their items. We have (10) 8 ft. tables and (6) 6ft round tables. This will be on a first come first serve basis. We have some very talented people in the Club so hoping this will give them a chance to display their products and/or goods. We will start sign-ups Monday, October 10th.

Please email Kevin at: khanzlik@irvingtonclub.com if you are interested.

Lots of great activities going on at the Club so watch your emails. Remember we always try to put in the subject line what it is regarding so you can choose to read it or not.

As always, I hope to see you at our amazing Club!

President's Message

I am hoping as you read this month's newsletter that you are participating and enjoying the various activities around the club this month such as practicing and playing in the annual Carolyn Lumber Tournament, joining others for delicious meals prepared by the different teams, bringing food to donate and support the Portland Backpack project as well as engaging in the various theme nights.

The Board has updated and edited the Club's Strategic Plan (SP) and will later this month invite members to contribute ideas, comments and opinions. The SP will be posted in the breezeway area near where you enter the courts with post-its nearby to add comments. We will try to put it online for those who wish to add comments directly next to the document. A hard copy of the Strategic Plan will be available at the front desk or you can send comments to me directly at boardpresident@irvingtonclub.com. We will collect input through October and into November. Also, to further and strengthen our communication with members, the Board has plans to work on a Club survey that will ask everybody who uses the Clubs' facilities to respond and give input.

I want to thank the many members who step up to help and volunteer at various times at the Club, serve on different committees, work with our community partners, and may be helping with all the fun activities around the Tournament. At a time when things may seem challenging, I know I find volunteering a way to strengthen ties with my community and broaden my support network. I believe too that volunteering exposes each of us to people with common interests, neighborhood resources, and models behavior for our younger members. It's true that the more you volunteer, the more benefits you'll experience! Thank you volunteers!

Supporting our Community - In Medio Concert

On November 4th at 7 p.m. at Augustana Lutheran Church (2710 NE 14th), *In Medio* will begin its second season of choral performances with Josef Rheinberger's rarely performed, double-choir *Mass in E-flat*. In addition to the Mass, the concert will feature three commissioned world premieres by young composers.

In Medio is a northeast Portland-based choir founded by John Eisemann, a Grant High School alum and the current director of the choir program at Grant High School. Many members of *In Medio* are residents of northeast Portland and former students of the Grant choral program.

The concert is FREE but please consider making a donation in an amount appropriate to your budget when you reserve tickets [here](https://www.brownpapertickets.com/event/5528937) (<https://www.brownpapertickets.com/event/5528937>). For more information about *In Medio*, visit inmediochoir.org.

Thank you for supporting our community!
