Message from the Acting Presidents

Greetings Members!

Cathy Porter and I are in lockstep as incoming and outgoing IC Board vice presidents and acting presidents. Meanwhile, our president Jonathan is trekking and traveling in the wilds of South America. You can see where he's been and watch his videotaped message to members at the Annual Meeting with this link: [Opening Remarks from the Club President](#)

Attendees of the 2024 Irvington Club Annual Meeting on 2/24/24 made some noise! We welcomed new Board members Lisa Lyon, Chris Kayser, and Nichole Anglin. Our new Board members bring fresh perspectives and great skills to the Board. We heard about the life of the Irvington Club from committee chairs, our pros, and Beth Moore, our General Manager. We enjoyed a raffle ticket-collecting frenzy culminating in an abundance of raffle winnings. We danced with abandon to live music by Mitch and the Melody Makers. Much fun was had by many.

High points of the month of March include the Oregon State Senior Men's Indoor Championships, February 29th-March 3rd. Come watch! Board members of the newly established Irvington Club Foundation (ICF) invite members to come and learn about the ICF on March 14th at 7:00 PM. Come and learn! Surely there will be some sunny days to play outdoor tennis and pickleball. Come and play!

Your acting president team,

Marianne Dwyer & Cathy Porter

GM Notes

Dear Members,

This is such a busy season at the Club. The tennis courts have been absolutely packed, the weightroom is full, and there is a busy calendar of social activities coming up.

It is a pleasure to host the Oregon Senior Men's Open Indoor Championship the first weekend in March, which is in its 58th year here at The Irvington Club. I hope many of you take the opportunity to come and study the incredible display of tennis strategy and experience on display on the courts during this tournament!

The Operations Team is launching an important project this month to update member data records in Club Automation. The team will be reaching out to you to complete updated Member Information Forms that are more extensive than the historical records some of you have in the system. Please also take a minute to follow the instructions already sent out to update your photos! Member records are used to compile data for strategic planning and program development to make the Club a better experience for members. Please help the team by responding to their requests and updating your records!

Look forward to seeing you at the Club.

Beth
