Hello Tennis Players!

We are excited to be offering our summer tennis program again and looking forward to nine weeks of fun and action packed tennis. Please choose from any of our one-week sessions and class that best suits your child's ability level. Our summer camps are split up by age group and geared towards providing a fun and energetic developmental pathway. So whether you are new to the game or a competitive tournament player, there's a perfect fit waiting for you. If you have questions regarding your child's class placement, please feel free to contact Walter or Cristobal prior to registration. See you on the courts soon!

Boys and girls from beginning to advanced levels are welcome in our junior classes. All sessions cover basic techniques, stroke production, and point simulation. There are 9 one-week sessions to choose from. Below are the dates of the sessions as well as the specific class times.
